**44-68**  
months

**Primary/  
Junior**  
**68-13**  
months years

**Junior**  
**9-13**  
years

### Mixed Age Grouping

Children in one age group are combined with another age group to allow children to transition into the next older age group.

### Family Age Grouping

Children of different ages, whether or not from the same family, are placed together in the same activity space.

### Why choose licensed child care?

- ★ Regulated to ensure high standards of safety & quality
- ★ Formally trained caregivers
- ★ Age-specific activities & play areas
- ★ Staff-to-child ratios
- ★ Helps in establishing healthy eating & sleeping habits
