THINKING OF A CAREER AS A PARAMEDIC? Visit the Job Fair at Memorial Gardens Today

North Bay, ON: There are excellent incentives currently available through the Provincial government to pursue a career as a paramedic through the [Learn and Stay Grant](#). Students enrolled in a paramedic program could be eligible for a grant that provides full, upfront funding for tuition, books and other costs.

To learn more about becoming a paramedic, you can attend the Métis Nation of Ontario job fair happening at Memorial Gardens in North Bay from 1:00 to 9:00 PM today. Representatives from the District of Nipissing Social Services Administration Board (DNSSAB) will be there to answer questions about opportunities with the organization. Currently, there are four positions available with Paramedic Services, and further opportunities within other DNSSAB departments, including positions for an electrician and plumber, bilingual Case Manager and Housing Services Supervisor. Current job opportunities are frequently updated on the [DNSSAB website](#).

Visit the website or speak with a representative today to find out more about job openings and the benefits of working at the DNSSAB, including health and wellness incentives, ongoing staff development and recognition of diversity and inclusion in the workplace.
